

# FIRST NATION CULTURAL TOURS

medicinewolf.jc@gmail.com  
905-830-2278

## **Traditional Opening & Closing**

### OPENING

I will begin with a Smudge (Smudging is when we burn the sacred Sweetgrass and brush the smoke over our body. During this we clear our minds and think positive and kind thoughts so that our words come out strong and meaningful.).

I will then continue with a hand drum song to welcome guests to your event. This song will bring kind spirits to the event to watch over all in attendance.

### CLOSING

I will close your event with a final smudge and hand drum song called the 'travelling song'. This is the traditional First Nations way to give thanks and appreciation to spirit and special guests in attendance. This song also ensures that guests to your event are safe during their journey back to their families and homes.

### COST

One day opening and close = \$150

(if closing is on a separate day, cost will be an additional \$75)

(\*additional costs may apply if your event is out of region)

Thank you considering First Nation Cultural Tours (FNCT) as an addition to your event.

Sincerely,

Jacob Charles

CEO, FNCT
